the date!**

General Topics of the Meeting

- Geothermal Waters, Volcanoes
- Water-Rock- Interaction and Sustainable Energy
- Applied Isotope Geochemistry
- Geosphere-Biosphere Interaction and Sustainable Environment
- Water Geochemistry, Water Quality and Natural Resources
- Deep Water Rock interaction, Geochemistry, Mineralogy, Petrology and Ore Deposits
- Dissemination, Outreach and Education

Field Trips

Pre & Post Conference

- Volcanoes and geothermal waters
- Campi Flegrei / Etna
- Larderello, Monte Amiata
- Deep WRI in Ivrea-Verbania zone, Italian Alps
- Fluids and crustal reworking, Variscan orogen in North Sardinia

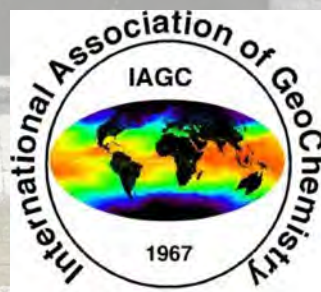

Mid Conference

- Fluorspar mine Silius /Gadoni/ Montevecchio
- Environmental geochemistry in active and abandoned mine area
- Wine geology & coastal area
- Nuragic civilization and hydrogeology

.....and many others!

Registration & Submission

TO BE ANNOUNCED
in the next weeks

Sponsors

- S.I.M.P.
- S.G.I.
- So.Ge.I.
- Parco Geominerario
- Mineraria Gerrei
- Winery Audarya
- Brewery 4Mori

Sponsor programme still open
